## How to Race for Anna?

An athlete registers themselves for ANY racing event and raises funds for childhood cancer families. Athletes who raise over \$1000 will be reimbursed for their race registration costs.

**The process:** With the assistance of the Anna Schindler Foundation, each Racing for Anna athlete participant will set up their own fundraising site through GoFundMe, linked directly to the Anna Schindler Foundation. You, the athlete, will then reach out to friends and family to help you reach your fundraising goal of \$1K to support the Anna Schindler Foundation. Supporters will be able to watch your fundraising progress on your GoFundMe page. All donations made to your fundraiser will be tax deductible.

After the first \$100 is raised, the ASF will provide you with a Racing for Anna jersey to wear during training and your event. We will also provide you with a Racing for Anna sign to carry across the finish line, featuring a photo of a childhood cancer warrior.

## Benefits

- Train with a PURPOSE - training for a racing event is challenging. So is fighting childhood cancer. The ASF will send you monthly inspirational emails with stories of childhood cancer warriors to inspire and encourage you to keep pushing on.
- Race for FREE while supporting childhood cancer families. Get reimbursed for your racing fee after raising \$1K.
- INSPIRE others as you wear your Racing for Anna jersey and carry our sign across the finish line
- Connect with other like-minded athletes and childhood cancer warriors at our annual Racing for Anna meet-and-greet dinner at the end of June.

## Requirements

- Athlete will need to provide proof of their event registration
- Athlete creates their own fundraising page - it's easy! The ASF will provide you details, photos and video for you to incorporate.
- Commit to train, raise funds, and ultimately race to benefit childhood cancer families

## Custom Jersey

Each athlete will receive a custom Anna Schindler Foundation tri-top jersey that is made in the beautiful USA.
